Clear Lake Trowel & Trellis Garden Club (CLTTGC) is a member of Mendo-Lake District Garden Clubs, California Garden Clubs Inc (CGCI) and the National Garden Clubs Inc (NGCI). We were founded on September 21, 1955, by five women who wished to create and promote interest in amateur gardening in Lake County.

## Green Thumbs Up

Jerry Shaul had a Work Party out planting daffodils in November (**Carolyn Michaels, Jay & Barbara Swanson, Susan Buckles, Jo & Jerry Shaul**). Many commented that they enjoyed seeing the first planting in bloom - so this spring should be a spectacular display of color.

*Congratulations to Debra O'Dell on her recent marriage. We all wish you great joy & happiness.*

We collected a total of \$242 at the luncheon. It was reported that some members made contributions directly to **Freedom House**.

One of the items on the wish list is a lilac bush which will be added to others in the garden. The shopping trip has yet to take place, but a full report of items purchased will be given at the January meeting. Once again, our generous members have come through for those less fortunate. Thank you.

## January Speaker...JoAnn Saccato

JoAnn is a native of Lake County, a mindfulness teacher, Reiki Master-Teacher, life and spiritual coach. She holds a self-designed Masters Degree in Co-Creating Sustainable Futures from Sonoma State University. She is an author, educator, consultant, inspirational speaker and a founding member of Lake Co-op, California's only cooperatively owned online food ordering and distribution system. She recently authored *Companioning the Sacred Journey: A Guide to Creating a Compassionate Container for Your Spiritual Practice* & teaches *Compassion-based Mindfulness for Stress Reduction, Personal Clarity and Emotional Freedom* courses. We are fortunate to have JoAnn as a speaker and it will be interesting to see how she will weave mindfulness with gardening. *Susan B*

### AND THEN IT IS WINTER

You know. . . time has a way of moving quickly and catching you unaware of the passing years. It seems just yesterday that I was young, just married and embarking on my new life with my mate. Yet in a way, it seems like eons ago, and I wonder where all the years went. I know that I lived them all. I have glimpses of how it was back then and of all my hopes and dreams. But, here it is... the winter of my life and it catches me by surprise...How did I get here so fast? Where did the years go and where did my youth go? I remember well seeing older people through the years and thinking that those older people were years away from me and that winter was so far off that I could not fathom it or imagine fully what it would be like.

But, here it is...my friends are retired and getting grey...they move slower and I see an older person now. So, if you're not in your winter yet...let me remind you, that it will be here faster than you think. So, whatever you would like to accomplish in your life please do it quickly! **Don't put things off too long!**

Life goes by quickly. So, do what you can today, as you can never be sure whether this is your winter or not! You have no promise that you will see all the seasons of your life...so, live for today and say all the things that you want your loved ones to remember...and hope that they appreciate and love you for all the things that you have done for them in all the years past!

"Life" is a gift to you. The way you live your life is your gift to those who come after.

Make it a fantastic one.

**LIVE IT WELL! ENJOY TODAY! DO SOMETHING FUN! BE HAPPY! HAVE A GREAT DAY!**

## Green Thumbs Up

To **Debra O'Dell** for providing a sheltered spot in her heated barn for us to make some personal wreaths.

To **Pam and Bill Held** for setting-up and retrieving and storing the equipment.

To **Susan & Jerry Buckles, Suzanne Russell, Kathleen Steinburg, Gladdy Bransford, Joyce Portfield, Helen Turley, & Carolyn Michaels** for supplying the greens. We had a small turn-out, but each of us made a personal wreath (**Joyce P, Susan B, Helen T, Carolyn M, Kathleen S, and Linda P**). We also placed a wreath at the Blue Star Memorial to Honor our Vets.

## Green Thumbs Up

To **Betty Atwood-Reyna** for making all the arrangements for our Christmas Luncheon and the beautiful favors and candy.

The flower arrangements provided by the **LKRA** were just lovely.

As you can see from the our front page picture, everyone was dressed in festive attire and enjoyed visiting with their table mates.

## FEB 5th, MEALS ON WHEELS VALENTINES

Please join Claire in creating some happiness for the Meals on Wheels folks that receive meals each day. This fun project was started when I belonged to the Nice Volunteer Fireman Auxiliary in Nice 20 some years ago. We packed candy and Valentine cards for each person who received meals. 7-8 years ago I suggested the Garden Club do so also. And here we are doing this bit of kindness and letting people know that they are not forgotten.

This year the club is buying the bags and the candy. Members are asked to make or purchase Valentine cards, be sure to sign them. Johnathan at the Lakeport Senior Center told me they have 118 who receive the meals and 4 drivers so we can make 125 bags to cover any add-ons they may have by Feb. Please make 20 or 50 or 125 Valentines - the more the better - very nice for those folks. Meet Thursday, Feb. 5 at 10am, 970 Fourth Street, Lakeport. Please try to park in front or at the side of my house and 3 can park in the driveway. I will provide coffee/tea and some goodies. Thanks, Claire

## 2015 SCHOLARSHIPS

The club has budgeted to give 2 - \$500 scholarships this year. In the past they were funded by the profits of selling Christmas Wreaths. This year we are trying something new. The Scholarship will be funded by the profits gained from selling tickets to the Garden Tour in May. Scholarship forms have been sent to Clear Lake High, Kelseyville, Lower Lake, Upper Lake, Middletown High School counselors and Yuba College Clear Lake Campus and Mendocino College- Lakeport. The counselors will distribute the forms to their eligible students. If you need more information, contact Committee Members: Susan Buckles, Joyce Porterfield, Leanne Harvey.

### Recent Guest Speaker

Marva, Gladdy and Susan went to see Kate Marionchild at Watershed Bookstore after our November meeting. She had a wonderful slideshow and talked about man's relationship with poison oak as well as poison oak's relationship with other organisms. We discovered the roles played by lace lichen--the light green stuff that hangs from trees--and the dark green clumps of oak mistletoe often seen high in hardwood trees. We learned about the concepts "keystone species", "co-evolution", and about the survival of great purple hairstreak butterflies, western bluebirds, wrentits, black-tailed deer, and more. She will be speaking again in Lakeport at the Sierra Club in March.
